

La'gent Stay Sapporo Odori supports activities for SDGs (Sustainable Development Goals). Toward the realization of a sustainable world, we will establish hotels with eco-friendly management, coexistence with local communities, and a pleasant working environment.

Stay cleaning schedule for the guests staying 3 or more nights

Room cleaning and linen will be replaced every other day.

New towels in a bag will be hung on doors on the day when the cleaning is not held.

*Used towels and garbage will be collected together on the cleaning day.

If the collection is urgent, please take towels to the collection box of the large public bath and garbage to the front desk.

*If you need a room cleaning other than the actual cleaning days, please inform at the front desk by 1 PM the day before the desired cleaning date.

Cleaning fee is charged ¥ 2,500 per day.

* Your rooms will be cleaned as the schedule given below. Please inform the front desk if the cleaning is not required, or if you would like any change from the cleaning schedule.

Room cleaning, Bed making						
	1st	2nd	3rd	4th	5th	6th
2 Nights	Arrival	○	Departure	-	-	-
3 Nights	Arrival	○	×	Departure	-	-
4 Nights	Arrival	○	×	○	Departure	-
5 Nights	Arrival	○	×	○	×	Departure

Amenity Station

For the waste reduction purpose, Amenity Station is located in 1st floor so that the guests may take the amenities according to their needs freely. When the amenities were provided in all guest rooms even the unused amenities were disposed of for sanitary purpose.

Eco-friendly cleaning

We strive to reduce the use of detergents while cleaning linen and other consumables such as heavy oils by making it a standard practice to not replace linen for guests staying more than one night.
